DOCKET NO.: 2022-____-T

IN RE:

Application of All My Sons of Charlotte South, LLC
to Amend Tariff

**REQUEST TO WAIVE
PUBLICATION**

All My Sons of Charlotte South, LLC (“Applicant”) holds PSC/ORS Certificate No. 9847 issued on May 15, 2018 pursuant to Order No. 2018-317 and is authorized to transport household goods between points and places in York, Lancaster, and Chester Counties in South Carolina. Applicant requests the Public Service Commission of South Carolina (“Commission”), pursuant to S.C. Code Reg. 103- 823 (Applications) and 103-190 (“Tariffs”), and other applicable rules and regulations of the Commission to amend its Tariff and bill of lading. Applicant here asks the Commission to waive notice by publication and in support states as follows:

I. Amended Tariff

1. Applicant’s current tariff was approved on May 24, 2021 by Commission Order #2021-210, Docket No. 2020-287-T. Applicant now requests permission to amend its tariff and bill of lading as follows:

- a. Section I – Rates increased for both Off-Peak & Peak periods.
- b. Section I – Note #1 – decreased from hourly rate to flat \$50 rate.
- c. Section I – Note #2 – decreased from hourly rate to flat \$50 rate.
- d. Section I – Note #3 – limited 2-hour labor minimum charge to weekday moves.

- e. Section II – Fuel Surcharge – increased 2%.
 - f. Section III – Packing Containers (Material Prices) – Deleted sentence “Packing Containers/Material will be charged at Market Value price, plus 25%.” Added a table listing the prices of packing containers and supplies.
 - g. Page 7 – Added new page entitled, “CONTRACT TERMS AND CONDITIONS OF UNIFORM HOUSEHOLD GOODS BILL OF LADING”; and changed claim filing from 9 months to 30 days.
 - h. Makes several non-substantive language changes and correct several typographical errors.
2. Applicant’s proposed tariff, along with a redlined copy of its current tariff showing the proposed changes are being filed simultaneously.
3. Applicant submits the proposed changes are reasonable and necessary for the conduct of its business. Specifically, the increases in rates for moving reflect increased operating costs and demand for Applicant’s services and modify certain of the terms and conditions of its tariff and bill of lading.

II. Request for Waiver of Notice by Publication

4. Waiver of notice by publication is expressly allowed by the Commission’s regulations. S.C. Code Reg. § 103-193(2).
5. Applicant submits the Commission’s website and Docket Management System will give adequate notice of this application which does not propose significant changes to the Applicant’s tariff.
6. Based on the past cost of similar notices, Applicant is informed and believes an advertisement of this application given its limited scope is not essential to the disposition of this matter.

III. Conclusion

WHEREFORE, for the foregoing reasons, and for good cause shown, Applicant respectfully requests waiver of publication.

Respectfully submitted,

s/David Popowski
